A close-up, shallow depth-of-field photograph of a wedding reception table. The table is covered with a white tablecloth and is elegantly set with white plates featuring gold-rimmed edges, white napkins, and silverware. Several clear wine glasses are arranged on the table, some containing a light-colored beverage. In the center, there are centerpieces of white roses in clear glass vases. The background is softly blurred, showing more of the table and warm, golden bokeh lights, creating a romantic and sophisticated atmosphere.
